Fern Aila Asiñero

Malaybalay City, Bukidnon | 09930477511 | fernasinero@gmail.com | Portfolio: https://fawliage.github.io/portfolio/

Detail-oriented IT student who tests, builds, and designs software. Ran the full QA cycle: wrote requirements and user stories, executed 153 manual test cases, and documented 28 defects with severity and root cause across various projects. Also performs usability and accessibility audits, built a game as programmer and artist, and designed the pitch deck that won Best Pitch Deck out of 16 teams. Holds two CCNA certifications and leads DOST-SEI scholar organizations.

Skills

- *QA & Testing:* Manual testing, test case writing and execution, defect reporting and tracking, retesting, exploratory and UI/usability testing, usability and accessibility auditing, requirements and user stories
- *Tools*: Postman, Figma, Canva, basic SQL; learning automated testing
- *Development & Networking*: Basic Java, C, HTML, and CSS; networking fundamentals (CCNA)
- *Design*: UI/UX design, poster and illustration, 2D game art (sprites, characters, maps), typography and layout, presentation design

Projects

Comprehensive Student Consultation Platform | 2025 – 2026

- Wrote functional requirements and user stories for student, faculty, and admin roles
- Executed 40 manual test cases and documented 18 defects with severity level and root cause in a bug tracking document
- Tracked fixes through to resolution and retested

LapSync Capstone Project | Co-Technical Writer and Co-Designer | 2025 – Present

- Tested hardware and software features and documented the results in testing documentation
- Reviewed the UI for consistency, usability, and alignment
- Wrote technical documentation and helped develop the project's visual identity

Warden of the Wild | Game Artist and Lead Developer | 2024

- Drew all sprites, designed the characters, and created the maps for a top-down adventure game with three trial chambers, each with unique obstacles and enemies, ending in a final boss fight
- Led development of the game, using coding tools to build and refine the gameplay code

Leadership

Deputy Director for Externals, Northern Mindanao Association of DOST-SEI Scholars | Present

- Supports external relations and coordination with partner organizations, institutions, and stakeholders to strengthen the association's connections and initiatives.

President, BukSU Association of DOST-SEI Scholars | 2025 – 2026

- Led organizational activities, coordinated events, and tracked deliverables with a team.

Education & Certifications

Bachelor of Science in Information Technology, Bukidnon State University | 2023 – Present

- CCNA: Introduction to Networks
- CCNA: Switching, Routing, and Wireless Essentials
- Introduction to Software Testing and Software QA, Udemy, June 2026
- Civil Service Exam Passer, 93.3%
- DOST Undergraduate Scholar, 2023 – Present
